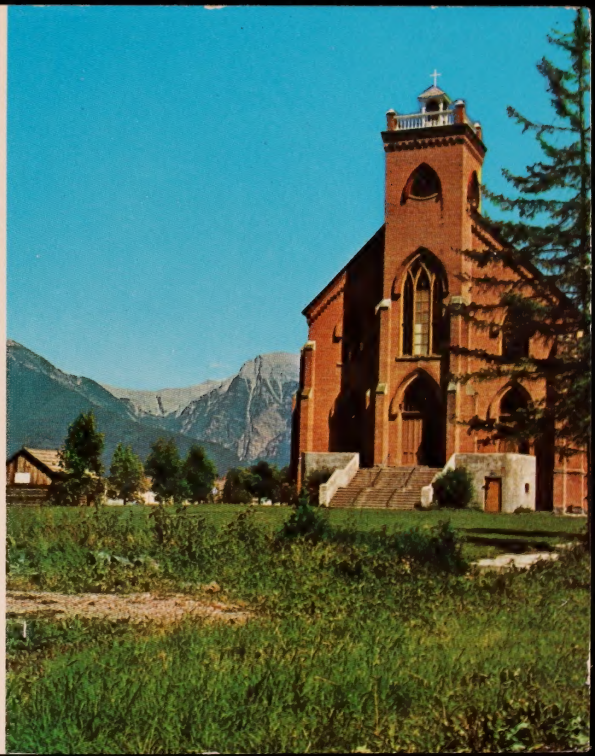
THIS LOG CABIN
BUILT IN 1854,
WAS THE FIRST
HOME OF THE
MISSIONARIES



Tuesday - Big Arm

On the left: Log cabin residence of the first Missionaries; built in 1854 and one of the oldest structures in this part of Montana.

On the right: Historic St. Ignatius Mission Church on the Flathead Indian Reservation [illegible] natius, Montana, especially known for the beautiful frescoes decorating its interior.

Hi. - Many thanks for the books + Bet. like send books to Kate when I read them -

Today C + I drove over here to see mission - no museum now - but very nice to see -

Weather still hot + no rain - fires still very bad in forests -

Bible school here Sunday all day + [illegible] new home [illegible] having trouble with well - Love to both - E + I.
